If denied due to previous behavior issues (not attendance issues), he or she must attend elsewhere for at least one full term, receive C average grades, and have no major violations. Then, the student may re-apply for admission to SBS.

11. If the Admission Board has determined by previous school performance, that a student may have continued issues at SBS, the Admission's Board may request a Contract to address the issues.
12. The School Board has adopted the Suspected Child Abuse and Neglect (SCAN) protocol to direct and guide staff for the protection of students at SBS.

The Admissions Board shall consist of a School Administrator, Registrar, Attendance Clerk, Guidance Counselor, and, if applicable, a Special Education Teacher, or designees. A majority decision of this Board will allow or disallow (deny) student enrollment to SBS.

Top Scholar Selection

The top academic students of each graduating class will be selected and recognized at graduation. In order to be considered the student must be scheduled to graduate. 2. Attended SBHS for a minimum of two (2) years, which must include the entire senior year.
3. In the event of a tie the following will be the criteria to break the tie.

Valedictorian and Salutatorian

The student receiving the number one ranking in the top scholar selection is the valedictorian. The student receiving the number two ranking in the top scholar selection is the salutatorian. If there is a tie, then all students who tie will receive the same recognition for that particular award.

SBS ATTENDANCE POLICIES

Shoshone-Bannock Jr./Sr. High School adheres to the Idaho State Accreditation Standards that stipulate that a student MUST be in attendance at least 90% of the time in order to receive credit.

ABSENCES

Attending classes on time is a responsibility of all students and their Parent(s)/Guardian(s).

If a student is physically not in his/her scheduled classroom within the first 5 minutes of the class period, he/she will be marked absent. The only exception to this rule is for first period in which the student will be marked absent if not in class within the first 20 minutes of class. Then the Attendance Clerk will proceed to verify the absence and code it accordingly.

A Parent/Guardian should contact the school before 9:30 A.M. if his/her student(s) will be absent or late. If not, the attendance clerk will contact the Parent/Guardian by phone to establish why the student is absent.

The student and/or a Parent/Guardian are responsible for bringing in written **excuses within THREE (3) school days** or the absence(s) will be recorded as an UNEXCUSED ABSENCE..

Student Period Attendance Detail reports will be mailed every two to keep the Parent/Guardian updated on their student(s) attendance.

EXCUSED ABSENCES

The general time period for submitting make-up work for excused absences is 3 days.; however, more time may be allowed under extenuating circumstances. This guideline does not apply to out-of-school suspension, which has its own guidelines for submitting classwork.

SCHOOL SPONSORED ACTIVITIES

These absences are for school activities that conflict with regular school hours.

These include, but are not limited to athletic contests, field trips, club or group involvement, career development or college courses being taken off-campus.

Out-of-school suspensions are considered **excused** absences. Parents/guardians may pick up school work for suspended students each afternoon in the main office. In order to receive credit, all school work missed during the suspension must be completed and submitted to appropriate teachers on the day that the student officially returns to school from the suspension.

OTHER EXCUSED ABSENCES

- a. Illness: this applies to the student being ill and/or the illness of an immediate family member. Two (2) or more absents will require a doctor's note or the absence(s) will be turned into UNEXCUSED absence(s).
- b. Death of an immediate family member: This includes the time necessary to travel to and from the place of the funeral.
- c. Medical, dental, mental health, or other professional appointments.
- d. Court order placement in detention or house arrest.
- e. Ceremonial/Cultural related activities that benefit the well-being of the student. IN ORDER TO BE ASSURED THAT THE ACTIVITY WILL BE EXCUSED, THESE MUST BE WRITTEN REQUESTS & APPROVED BY THE SCHOOL ADMINISTRATOR WITH HIS/HER SIGNATURE. ORIGINAL DOCUMENTATION MUST BE TURNED INTO THE ATTENDANCE CLERK **BEFORE** THE STUDENT PARTICIPATES IN THE ACTIVITY. If the attendance clerk doesn't receive the documentation, then the absences will stand and be coded as UNEXCUSED.

UNEXCUSED OR UNVERIFIED ABSENCES:

Occur when a student has been marked absent by his/her teacher and confirmation of absence or reason was not received by the Attendance Clerk. **UNVERIFIED absences will be turned into UNEXCUSED ABSENCES after 3 days.**

The following procedures will be followed for each UNVERIFIED or UNEXCUSED absences:

First (1st) and Second (2nd) /UNVERIFIED Absence:

The Attendance Clerk, or designee, may call the Parent/Guardian to confirm the absence and reason. Absences will reflect a code that fits the reason given. If no confirmation or contact is received, then the absence(s) will reflect as UNEXCUSED after the THREE (3) day window expires.

Third (3rd) and/or Fourth (4th) UNEXCUSED/UNVERIFIED Absence:

The school designee may visit and/or call the students' residence on file in an attempt to meet with the student, parent/guardian to discuss the ramifications of continued absenteeism. If unsuccessful, another home visit and/or workplace visit may be necessary. If still unsuccessful, then a SCAN may to completed and submitted to the Fort Hall Police Department.

Fifth (5th) UNEXCUSED/UNVERIFIED Absence:

The student will to meet with the Attendance Clerk for continued enrollment and credit /grade determination. An invitation to the Legal Parent/Guardian(s) may be made for this meeting, but can proceed without him/her.

At this time the Attendance Clerk will develop a loss of credit contract with the student. This contract will also include a copy of the guidelines for make-up of "loss of credit" that can occur if the student has 6 or more unexcused/unverified absences. A copy of the contract may be personally delivered and/or e-mailed and will be mailed home to the Legal Parent(s)/Guardian(s).

Six (6) or more UNEXCUSED/UNVERIFIED Absences/CREDIT CONTRACT VIOLATION

Credit /Grade is lost unless the student attends and completes a scheduled after school "loss of credit" make-up program necessary to continue in the class.

If the student chooses not to make-up the time and work, the student will be placed in an alternate setting on campus for the remainder of the trimester or until the student chooses to make-up time needed to continue in the regular class.

Loss of credit may lead to Athletic ineligibility, lack of knowledge/education, repetition of classes and delayed graduation/grade promotion.

"Loss of Credit" Make-up

Students will be allowed to attend one hour after school supervised sessions in order to make up unexcused absences that will allow them to continue in a class(es) in lieu of losing credit in that particular class(es).

The student will coordinate the make-up hours through the Attendance Clerk, who in return will work with the Dean of Students to coordinate the after-school services.

Alternate Placement Alternative for Attendance/Behavior Issues:

If a student loses credit in a class, they will be placed in an alternative classroom setting. They will be allowed to work on the computer to make up any lost credits. Students who have lost credit in a class will not be allowed to remain in that class.

10 Consecutive Absences

Per Federal Funding guidelines, CFR 25, if a student is physically absent for every period, all day for a consecutive ten (10) days, regardless of communication by parent/guardian, he/she will be dropped from enrollment with our school. Tardy Policy

A student will be marked tardy when not in his/her assigned classroom when the class tardy bell rings. A tardy is defined as being late for a class within the first 5 minutes of class, exception is 1st period (see also under "Absences" above).

Three (3) tardies in an individual class, students will be assigned to lunch detention for one day. Each additional tardy, students will be assigned an additional day of lunch detention. If the students does not attend lunch detention, they will be assigned to ISS for each day of missed lunch detention.

The Attendance Clerk and/or Dean of Students will track all tardiness and absences in NASIS.

SBS will not admit a student who has been expelled from another school district for violating the federal law until the student has completed the expulsion period of not less than one year. Timing will be based upon written confirmation from the district that initially expelled the student. If a student challenges this decision of the board, that student is entitled to a due process hearing before the board according to the district's procedure for conducting an expulsion hearing.

Suspended Students

Out-of-School Suspension

Students may receive out-of-school suspension (OSS) for up to 10 days by the Principal/Dean of Students, following a conference with the student and parent/guardian or notification to parents/guardian. Parents/guardians must be given notice of the OSS and a written or oral explanation of the charges. The

student has the right to present his/her side of the issue prior to the suspension or as soon as practicable. Suspended students are not allowed on school grounds at any time without prearranged permission from the school administration.

Suspensions are considered **excused** absences. Parents/guardians may pick up school work for suspended students each afternoon in the main office. In order to receive credit, all school work missed during the suspension must be completed and submitted to appropriate teachers on the day that the student officially returns to school from the suspension.

Students whose behavior is considered disruptive or who have a continued non-resolved behavior problem may be suspended out of school. This action is deemed very serious and will require a parent-student-administrator conference before reinstatement can take place. **This conference must take place at the school prior to the student returning to class.**

The intention of the staff at Shoshone-Bannock Jr./Sr. High School is to provide a continuous, uninterrupted education for all students.

Issues warranting out-of-school suspension would include, but are not limited to, continuous disruptive behavior or non-compliance of school regulations.

Students in out-of-school suspension will not be allowed to attend any extra-curricular activities or practices related to activities on the days of suspension. All coaches and advisors will be notified of the suspension.

Students with IEP's are subject to Federal Individuals with Disabilities Education Act (IDEA) regulations 34 CFR 300.519 and 300.520.

In-School Suspension

In-school suspension (ISS) is an alternative to out of school suspension. A student who receives in-school suspension (ISS) will be isolated in a room under supervised study. While the student is suspended, he/she must complete usual assignments provided by the regular classroom teacher(s). Under no conditions are students allowed to take breaks other than the restroom break under supervision. If the student does not cooperate while in in-school suspension, then he/she may receive additional in-school suspension or out-of-school suspension.

CONTRACTS

A student may be placed on a Behavior, Attendance, and/or Enrollment Contract in the event that the current student is having major issues in either of these areas or for a new student wanting to attend the SBS who has had a prior negative history in either of these areas. If he/she violates the Contract, he/she will be subjected to the steps listed in the contract.

Expulsion

A student may be expelled from school if it is shown that his/her conduct does in fact undermine good order, threatens the welfare of the school, disrupts the educational process, or deprives other students of an opportunity to pursue their own education. Expulsion may be for a calendar school year or less depending upon the decision of the School Board.

The process for expulsion is as follows: 1) the Dean of Students will make a recommendation to the principal for expulsion; 2) the principal will make a recommendation to the school board for expulsion; 3) If the recommendation for expulsion is not approved by the School Board, other appropriate consequences will be issued to the student; 4) If the expulsion is approved, the student/parent/guardian may follow due process procedures and appeal directly to the School Board within 10 days of the original decision.

Due Process for Expulsion

In all disciplinary actions, students will be afforded due process of law under the Constitution of the United States, and the regulations of the School. Every student is entitled to due process of law before he/she is expelled. The students' rights include the following:

1. Written notice of charges within a reasonable time prior to a hearing. Notice of charges shall include reference to the regulation allegedly violated, the facts alleged to constitute the violation, and the notice of access to all statements of person relating to the charge and to those parts of the student's school record which will be considered in rendering a disciplinary decision.
2. A fair and impartial hearing to the imposition of disciplinary action (absent the actual existence of an emergency situation and immediate danger to the health and safety of the students and others). In an emergency situation, the school official may impose disciplinary action not to exceed a temporary suspension, but shall immediately submit a report, in writing the facts (not conclusion). Behavior Expectations and Consequences

Overview – the consequences for inappropriate student behavior described on the following pages are designed to be fair, firm, and consistent for all students. They apply to SBHS students in any school, or other district building on school property, in school vehicles and school events. School vehicles are defined as school buses and vans owned or leased by the school, and cars and other vehicles owned by school staff and authorized by the school for transporting students.

Any violent behavior or other activity that takes place outside of the school day and/or takes place away from the school that impacts the school environment, students, or staff may be subject to disciplinary action. Administrators may use discretion in individual cases. Consequences for a specific offense may be more or less severe than indicated if staff members believe it is appropriate.

Because it is not possible to list every inappropriate behavior that occurs, behaviors not specified will be responded to as necessary by staff. Staff members include bus drivers, chaperones, classroom teachers, counselors, classroom aides, janitors, bus monitors, administrators and other appropriate district staff who deal with minor infractions. **All staff members are mandated reporters according to Federal Law.**

After a student has received an out-of-school suspension, a **re-entry conference must** be held with the student, parent/guardian and appropriate administrator to discuss the behavior(s) that led to the suspension, appropriate alternative behaviors the student might have chosen, and a plan to prevent

future inappropriate behaviors. **This conference must take place at the school prior to the student returning to class.**

The administrator may involve the police and other law enforcement authorities as necessary. If a student violates a school rule which is also a violation of a law, the student may be referred to the police in addition to being dealt with as described in the regulation. Special Education and discipline records will be consistent with Family Educational Right and Privacy Act (FERPA).

Depending on the nature and degree of the offense and the number of prior offenses, any one or a combination of the list of possible consequences may also be assigned by the school administrator. The possible consequences listed below are not intended to be all-inclusive. They are presented as guidelines for staff, students, and parents. A list of possible consequences include:

- 1) Detention
